### DISBURSEMENTS

Payments that are made on the client's behalf, such as Doctors fees for cremation papers, crematorium or burial fees, sextons fees, church fees, flowers, newspaper notices, printing costs or any other third party payments will be itemised on your written estimate and final account.

### THE BASIC FUNERAL (conditions apply) £1995.00

To include conveyance of the deceased to our premises during normal office hours (20 miles allowed), care of the deceased prior to the funeral to be held at a local crematorium or graveside at a time convenient to ourselves, provision of the necessary staff and a simple coffin suitable for burial or cremation.

The Basic Funeral reduces the funeral directors charges and there can be no addition to the above service offered. Should services not included be required, our Standard Service Charge will apply.

The Basic Funeral does not include a ceremony at a separate venue prior to the burial or cremation, newspaper announcements, ordering of floral tributes, printed Order of Service sheets, embalming, limousines, visits to the Chapel of Rest or listing of mourners and floral tributes at the funeral.

### DIRECT CREMATION £1635.00

(conditions apply/choice of crematorium at funeral directors discretion)

(Fee to include funeral directors fee, crematorium fee/an additional fee for a Doctor's certificate may be required).
